

UNIVERSITY OF MALTA
Faculty of Health Sciences

**PROCEDURES for exchange students conducting placements
at the Faculty of Health Sciences between January and April 2012**

Students are required to submit a copy of their immunisation record, which must include evidence of immunity to Hepatitis B or absence of markers of infectivity.

Students are also required to undertake and submit result of nasal swab for MRSA. This should be undertaken **within a 30 day** period before the commencement of the placement.

The result should reach the head of department **not later than 2 weeks before** the commencement of the placement.

These documents are to be sent to the respective Head of Department at the Faculty of Health Sciences, sealed in an envelope.

POST TO: Dr Paul Bezzina
Department of Radiography
Faculty of Health Sciences
University of Malta
Room 9, Block A1
Mater Dei Hospital
Msida, MSD 2090
MALTA

Summary of Deadlines:

- **Before 11th November 2011**
Students are to submit a copy of the immunization record, which must include evidence of immunity to Hepatitis B or absence of markers of infectivity.
- **Between the 6th and 23rd of December 2011**
Students are to undertake a nasal swab for MRSA

In view of the Christmas post congestion, *it is recommended that students scan and e-mail the result of the MRSA swab test* before posting as this result ***must be received 2 weeks before*** the commencement of the Erasmus Programme.

The scanned MRSA result is to be sent to the Head of Department, Dr Paul Bezzina (E-mail: paul.bezzina@um.edu.mt), with a carbon copy sent to the ERASMUS co-ordinator, Mr Jonathan Portelli (E-mail: jonathan.portelli@um.edu.mt).
