

Pension
Zandvoort aan Zee

Dear exchange students January-April 2010

Pension Zandvoort aan Zee is a cosy guesthouse, which offers studios, apartments and rooms. The rooms are nicely decorated, each in its own theme. Experience the luxury and the privacy of an own apartment or studio in the most beautiful street of Zandvoort, near to the train-station. By train it takes 5 minutes to the campus of Inholland. Boardinghouse Zandvoort at Sea lies in a calm neighbourhood. The beach and the center of Zandvoort lie on ca. 300 meters of the guesthouse. Last 2 years we had Erasmus Exchange students in the house and we are already looking forward to meet you.

Guesthouse Zandvoort at Sea offers space at four studios, two rooms and two apartments. You can make your choice, depending on your wishes like privacy, price, staying together with friends etc. Please contact me as soon as possible regarding your wishes/preferences. We will try to fit in your wishes as well as we can. I understand there are 21 applications. I hope we can fit all of you in our house. If not (depends on your choices) we might be forced to place some students in a guesthouse nearby. We also did this last year and everything worked our perfect. Please explain clearly what is important for you (staying with one or more friends etc.) so we can make sure you will have accomodation were you can study and live. It is clear that we might not be able to fullfill all individual wishes. Therefore it would be a good idea to give a first, second and third choice. It is clear that it is wise to communicate your wishes as soon as possible, so you will have first choice. And please, if you want a double room or studio, sign up as a couple. And for the appartements: please sign up as a group.

All rooms and studios have been equipped with shower/wc, safe, refrigerator, microwave and a coffeemachine. In the studios you will also find a small kitchen. Furthermore we have a complete organized one-room apartment for 3-4 persons (with kitchen) and a four-room apartment with garden and big kitchen that offers space to at most 6 persons.

The big apartment on the ground floor has a big living-room that might be used by all students (as kind of a central living) The bedrooms are situated next to the living-room. One of the bedrooms has a bunkbed, but you can also choose to use this room with 1 person and have another student sleeping on the bed in the livingroom.

On our website: www.Zandvoortpension.nl you will find fotos and descriptions of the rooms, studios and apartments. Please notice we are a non smoking hotel. Guests are not allowed to smoke in the building. If that is a problem, please find another hotel/guesthouse.
